## Introducing Internet Explorer Version 8

The new, improved [Win-  
dows Internet Explorer 8](#)  
can help make your every-  
day browsing experi-  
ences easier, faster, and  
safer.

Do common tasks faster,  
without having to open a  
new window, with **Accel-  
erators**. Get real-time  
information from your fa-  
vorite sites, in one place,  
with **Web Slices**. Search

smarter and faster using  
**Visual Suggestions** from  
your favorite search pro-  
vider. Also, safer online  
with new security features  
like the **SmartScreen**  
**filter**.

Visit [www.microsoft.com/  
ie8](http://www.microsoft.com/ie8) to download and learn  
more about the new Inter-  
net Explorer 8.

(From Microsoft, edited)

 – Member Sharing

July 9, 2009 – *Everything you always wanted to know about cell phones (Tentative)*

*“The young have aspirations that never come to pass, the old have reminiscences of what never happened.”*

- Saki

## Elizabeth Kohler named Founding Member

- Genealogy Club - October 1984
- Computer Club - October 1988
- Legacy Users Group - May 2000

In addition, Elizabeth has been a beta tester for Millennia Legacy Family Tree Software from 1999 to the present.

Besides all of that, she still has time for vacations, recently returning from a NCL cruise of Hawaii.

The club owes a lot to Elizabeth. We hope that her example will encourage others to follow suit by volunteering in order to keep the club alive and well.

**Elizabeth Kohler** has been busy, both currently and in the past. She was recently recognized by the executive board as a founding member of the Mission Oaks Computer Club and added to our membership as such. Elizabeth was the founder of several Mission Oaks clubs, including:

*“Always forgive your enemies; nothing annoys them so much.”*

— Oscar Wilde

## MISSION OAKS COMPUTER CLUB

All meetings held at:

Mission Oaks Community  
Center  
4701 Gibbons Drive  
Carmichael CA 95608

Phone: 916-366-1687  
Center: 916-972-0336  
E-mail: mocc@

missionoakscomputerclub.org

We're on the Web!  
[www.missionoakscomputerclub.org](http://www.missionoakscomputerclub.org)

The mission of Mission Oaks Computer Club is to assist its members to use computer technology effectively; to promote ethical and professional standards among users of personal computers; and to stimulate exchange of ideas and information about personal computers and their use.

"Honestly, dad. I can't keep coming in here every 5 minutes to help you with your computer. From now on I'll be charging you \$3.00 per minute."

Optimize-Your-PC.com

### Programs Save Money on Ink and Paper (Komando.com)

We're all learning to save money in new and exciting ways. What could be more fun? OK, lots of things are more fun than saving money. Take printing for example. You can print documents, Web pages, presentations and much more.

#### GreenPrint

[www.printgreener.com](http://www.printgreener.com)

This program will help you print only what you want. Sometimes you only need a few pages of a document

or site. Why print the whole thing? Highlight unwanted pages and remove them.

#### Smart Web Printing

<http://h71036.www7.hp.com/hho/cache/482779-0-0-225-121.html>

Printing off the Web can waste a lot of paper. You end up printing navigation, pictures and ads. With this program, you can select a specific part of the page. You can even make selections from several sites. And then you can

print them on a single piece of paper.

#### Ecofont

[www.ecofont.eu/ecofont\\_en.html](http://www.ecofont.eu/ecofont_en.html)

The font you use for writing documents also matters. Different fonts use different amounts of space and ink. Ecofont claims to use 20% less ink than similar fonts. It does this by aping Swiss cheese. The letters are full of holes.
